Project Intake Form

Project Title Owens Way to Lewis Run Water Line Replacement

Project Applicant Bradford

Applicant Address 28 Kennedy Street
Bradford
Pennsylvania
16701

Point of Contact Steve Disney

Phone Number (814) 362-3004

Email sdisney@bradfordwater.com

All counties in the North Central region are currently transitional.

Select all counties the project will serve.

McKean

Select Primary Objective to Set the Goal Supporting Objective

Objective 3.1: Ensure the availability of quality, affordable basic infrastructure to meet the needs of the residents and businesses of Appalachia.

Building Infrastructure

View North Central's [2018-2023 Comprehensive Economic Development Strategy here](#).

Does your project align with the goals of North Central's 2018-2023 Comprehensive Economic Development Strategy?

Yes

The CEDS Investment Priorities include the following:

- Expanding and strengthening employment and education opportunities that provide stable family wage jobs.
- Investments in entrepreneurship and home-grown business development to build a sustainable, diverse economy.
- Preserving and investing in the region's natural and cultural assets to strengthen economic potential.
- Creating and/or improving reliable, consistent access to critical infrastructure in North Central Pennsylvania.
- Providing sufficient availability of right-sized, right-priced housing throughout each county within the North Central Pennsylvania region.

Check the box if you'd like this project to be considered for inclusion in North Central's forthcoming CEDS and Resiliency Plan.

Yes, please consider this project for inclusion in the forthcoming CEDS and Resiliency Plan.

Project Funding

Please enter the project funding amounts for each below. Totals and Percent will calculate automatically. Do NOT include the "\$."

#	Non Construction	Equipment	Construction	Total	Percent
1				0	0
2				0	0
3				0	0
4			4500000	4500000	100
5	0	0	4500000	4500000	100

Period of Performance

Purpose of Project

Replace existing ductile Iron water line that runs from Owens Way to Lewis Run.

Project Description

The existing Ductile Iron Line has started to deteriorate much faster than anticipated. The Water Authority would like to replace this line since they are regularly making repairs on it to address leaks caused by holes or breaks in the line.

Explain the following for the Strategic Rationale:

- Identify the problems and/or opportunities the project will address.
- Explain the existing conditions or critical circumstances that would compel the funding of this project.
- Describe how the project supports a regional strategy or plan.
- Explain how this project will contribute to sustainable economic development in the service area impacted.
- Identify the types and numbers of jobs to be created or retained.
- Explain any Leveraged Private Investment because of this project.

Strategic Rationale

This Line services portions of Bradford Township, Lewis Run, and Lafayette Township. Failure of this line would impact thousands of customers including numerous commercial and industrial customers.

Collaborative Partnerships

Bradford Water Authority, Bradford Township, Lewis Run Borough

Project Sustainability and Capacity

Once installed, the infrastructure would be included in the water authority's operation and maintenance plan. The water authority has experience administering and managing various grant programs.

Output and Outcome Measures

Stand-Alone Output Measure

million gallons per day (MGD)

Stand-Alone Outcome Measure

jobs retained

Congressional and Legislative Districts

Glenn Thompson (US House, 15th)

Pat Toomey (US Senate)

Bob Casey (US Senate)

Martin Causer (PA StateHouse, 67th)

Cris Dush (PA StateSenate, 25th)

Miscellaneous Notes

Please keep the McKean County Economic Development Office engaged and up to date with this project.
